Renowned as one of the world's most beautiful islands, it offers an extraordinary destination for visitors seeking natural beauty and tranquility. This spot boasts crystal clear shallow-water, deep-water coral reefs and a scenic viewpoint that overlooks all 3 beaches.

KOH TAO

Called the 'Turtle Island' by local fishermen, this little oasis is known for its white sandy beaches, hilltop views and breathtaking diving scene – tropical coral reefs, whale sharks, rays, hawksbill and green turtles.
